

Relay and teams for corporate teams:

Mixed teams of commercial and non-profit organizations are permitted to participate in the relay. One team consists of 4 persons.

The organization may form one or more teams to participate in the corporate relay. Number of teams from one organization is unlimited.

The results will determine the winners and the teams who won 1st, 2nd and 3rd places will be awarded. Winners will be determined in the respective government and business segments (eg: IT, banking, insurance, fitness industry, embassies, etc.)

Each segment will have at least 5 teams.

If one segment has less than 5 teams, the teams are not awarded in the segment, the teams may be awarded only in the overall category.
